

SPECIAL ANNOUNCEMENT – TDX FY 2019 Shareholder Dividend

Dear TDX Shareholders:

We are pleased to announce on behalf of our TDX Chairman Chris Mandregan, and the Board of Directors of TDX Corporation; that the Board has declared a cash **dividend of \$3.87 per share** to all eligible shareholders of record as of July 17, 2020. The TDX Annual dividend celebrates a successful FY 2019 year for TDX. The Board elected to pay out the TDX Annual dividend earlier than usual, so we can do our part to help our shareholders during these tough times, as we all deal with the COVID-19 pandemic. The TDX FY-19 dividend checks should be in the mail by July 20, 2020.

The dividend payment is an annualized amount of \$3.87 per share, (average of \$387.00 based 100 shares of original stock). This dividend represents the success that TDX has achieved in our FY 2019 financial performance, and the success of the TDX Permanent Fund; that the Board had the vision to set up almost 10 years ago. Our thanks go out to our TDX Group Presidents, Managers, and entire employee team for their dedication and hard work this past year. We are pleased with our strong business and investment performance of TDX Corporation, and as such; the Board wanted to share the financial success with you, our TDX shareholders.

We believe that TDX Corporation's continued ability to sustain and grow our dividend program will only come through our continued diligence and hard work, even in what is a challenging and uncertain times during this COVID-19 pandemic. TDX took the right steps many years ago to focus and establish our Investments into a variety of **diversified businesses**, and to put in place the **TDX Permanent Fund** to insure our stability and capability to pay such dividends, even in times of crisis, such as the current 2020 COVID-19 pandemic.

This year's total amount of the paid dividends is \$209,584.49. Because we have had solid core earnings from our FY-19 operations and from our TDX Permanent Fund. We believe that we can pay this amount without inhibiting our ability to persevere and grow through the 2020 year, and to come out fighting and be strong in 2021.

I want to say thank you to our shareholders, for standing with us. We hope that you are taking care of your families and your health. We are working diligently to enhance the value of TDX Corporation.
